5 Drawer Tool Cabinet

ST95112G

FEATURES

- Safety anti-tip system allows for only one drawer to be opened at a time
- Static load capacity of 800kg
- Reinforced ABS worktop with rounded edges and trays for small parts
- Sidewalls with built-in pegboards for mounting a variety of accessories
- Cart body made of 1.2mm thickness steel for strength and durability
- Drawers with 45mm self-closing ball bearing slides provide excellent stability and prevent drawers from opening while the cart is in motion
- Off-center integrated centralized locking system
- Includes two bottle holders for each side
- Drawers fully open (100%)
- Dual-sided ergonomic handles for easy steering
- Heavy-duty casters with 5”x 2” PP wheels, 2 fixed and 2 360° swivel with top brakes
- Each drawer base is protected by 2mm EVA drawer liners
- Durable industrial powder coating paint finish protects against scratches and marring
- Black anodized aluminum drawer trim
- Drawer load capacity of 45kg
- Drawer size 578mm x 408mm
- Fits all modular PVC trays and all EVA trays
